

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 1 ~ Ser.-4

p-ISSN : 2320-9356

Contents :

Distributed Voltage Control FLC Based With Electric Springs & Comparison with Statcom	01-12
Automatic Waste Segregation System	13-16
Existence Result for Fourth Order Random Differential Equation	17-21
Solvent Extraction of Copper from Chloride Solutions with LIX 984N	22-28
The Neighbourhood Planning in India: A Case Study of Magarpatta City	29-33
An overview on use of recombinant bacteria in polyhydroxyalkanoate production with prominence on the recombinant strains of Escherichia coli, Bacillus subtilis and Pseudomonas putida	34-42
The study of land use: The case study of Bruges city, Belgium	43-47
Sustainable Urban Housing: Current Issue and Challenges	48-52
The study of land use: The case of Cuttack city, Odisha	53-57
Recreational Land Use: A Comparison of Mumbai, India and Las Vegas, USA	58-65
Role of Public Private Partnership in Building Affordable Housing in India	66-71
Design and Analysis of Bus Body Structure	72-80
Use of Plastic as Soil Stabilizer	81-88
Cleaning of heavy oils from Metal & Alloys components	89-93
The Study of Mass Rapid Transit System: A Case Study of Singapore Mass Rapid Transit (SMRT)	94-97
