

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 7 ~ Ser.-4

p-ISSN : 2320-9356

## Contents :

Chemical Nature of Sewage Treated Water Using For Agricultural Purposes (Bikaner)	01-03
Extraction of Fuel from Plastic Waste by Pyrolysis Treatment	04-10
In Vitro Fertilization (IVF) Incubator Monitoring System	11-15
Affect and improvement of flexible pavement sub grade in frost affected areas	16-32
Kinetic Study Of Phosphotungstic Acid Catalyzed Oxidative Degradation Of Lactic Acid By N-Chloroisonicotinamide In Aqueous Acetic Acid Medium	33-39
Synthesis, Characterisation and Screening of Substituted 2-Biphenyl Carboxyl amides against <i>Fusarium udum</i> and <i>Curvalaria lunata</i>	40-47
The Role of Information and Communication Technologies (ICT) in the Teaching and Learning of Science in the 21st Century	48-53
Human Computer Interaction through Morse Code	54-61
Utility of herbal product During pandemic in special reference of "Vindhya division"	62-65
Study on Building Information Modeling and Efficiency Monitoring	66-69
Association between job satisfaction levels and psychological factors	70-75
