

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 10 ~ Ser. 5

p-ISSN : 2320-9356

Contents :

Sentence types in Kannada speaking normal children and with Intellectual Disability	483-491
A Screening Picture Vocabulary Test in Arabic	492-503
Coefficient Inequality for a Newly Constructed Subclass of Class of Starlike Analytic Functions	504-508
Study of a Subclass of Classes of P-Valent Starlike and Convex Functions	509-513
Fekete Szego Bounds for a Class of Regular P-Valent Functionsthat Is Subclass of Class of P-Valent Convex Functions	514-519
3D Holographic Display with Gesture Controller	520-523
Application of Statistics in Solving Industry Based Challenges: A Case Study of Benedict Oil and Gas, Anambra State, Nigeria	524-530
Analysis of R.C. Chimney with different wind speed using STAAD.Pro	531-536
Virtual Smart Glass for Blind using Object Detection	537-544
Smart Cards Using RFID in Educational Sector	545-549
Real-time eye tracking for password authentication using Matlab	550-557
Crop Yield Prediction Based On Indian Agriculture	558-564
Mellitus Disease Prediction Using Machine Learning Algorithms	565-571
Synthesis and Investigation of Liquid Crystalline Property of a New Thermotropic Liquid Crystalline System with Terminal Chloro Group and DSC study	572-587
Electronic control for propulsion and guidance of watercrafts	588-592
