

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 10 ~ Issue : 11 ~ Ser. 3

p-ISSN : 2320-9356

Contents :

The Philosophical, Cultural and Theological Symbolism of Kolanut (OJI IGBO)	199-204
Manufacturing Of Bricks from Water Treatment Plant Sludge	205-215
Analysis of Shell and tube Heat exchanger with Different Method: A Review	216-223
Smart E-Tender Processing and Tracking Application Using Blockchain	224-228
File Synchronization within Different Platforms Safeguarding Confidentiality on Cloud	229-233
Finite Element Analysis of Stress and Displacement of Centrifugal Pump Impeller Model For Performance Improvement	234-249
Geological And Hydrogeochemical Features Of The Hidirlar Geothermal Area(Nw Anatolia-Türkiye)	250-260
Isolated Pancreatic Injury in Blunt Trauma Abdomen: A Case Report	261-262
The Knowledge and Adoption Level of Improved Sericultural Technologies by the Farmers: A Case Study	263-267
Antifungal Activity of Ethanol Extract of Leaves of Rosmarinus Officinalis (Rose Mary)	268-271
Synthesis of simarouba biodiesel and evaluation of its properties	272-276
Study on Compound Toll Station of Expressway	277-282
Electrochemical studies on carbon based waste byproducts and its application as an additive in Bitumen	283-286
Hybrid Association Mining Of In-Frequent Itemsets For Business Process Optimization	287-295
A Review Paper on Partial replacement of cement by using fly ash in concrete pavement	296-298
