

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 11 ~ Issue : 04 ~ Ser. 4

p-ISSN : 2320-9356

Contents :

A Survey Paper on A Model for Driver Drowsiness Detection System	321-323
Importance of Negotiation Skills for Managers	324-328
Effect of Technology Parameters on the Components of Cutting Force in Hard Turning 9xc Steel With Carbide Insert Using Mos2 Nfmql	329-336
Design and Development of Web-Based System: Visitor Management System	337-346
Assessing the current status of domestic solid waste generation and forecasting domestic solid waste quantity in Cao Bang city, Cao Bang province in Vietnam until 2035	347-352
Factors Affecting the Replacement Components in an Organized Herd of Sahiwal Cattle	353-357
Surrogacy in Indian Society	358-363
IOT Based Garbage Monitoring Using Arduino	364-371
Intelligent Monitoring and Maintenance System Automatic on Ornamental Plants	372-375
Climate Control in Resdencial Building	376-381
IoT based Fire Intimation and Fire Extinguisher Robot with Call & Messages Alert through GSM Sim Card	382-385
Possibilities of 5G Implementation in India and Challenges: A Review	386-395
Analysis of Green Building	396-399
Analysis of Trends in Capital Value of Residential Properties in Government Reserved Area, Enugu Urban	400-411
Bosom ailment prediction using Machine learning techniques	412-418
