

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 11 ~ Issue : 04 ~ Ser. 6

p-ISSN : 2320-9356

Contents :

CIA-3 AEN 221- Additional English	523-529
Review on Fiber Reinforced Pavement Blocks	530-532
Heavy Metal Pollution and Treatment Review	533-535
Investigation on Al5052-Cu Alloy and Preparation Through Stir Casting Process	536-540
Implementing Finanzerverse – The Personal Finance Manager	541-555
This Abled: An Aid to get Paid	556-564
English Grammar in Big Data	565-577
Investigation on Al5052-Cu Alloy and Preparation Through Stir Casting Process	578-579
Campus survey on floristic biodiversity at Nehru Arts and Science College, Thirumalayampalayam, Coimbatore, Tamil Nadu, India	580-586
Isolation and Identification of Antibiotic Resistant and Metal Tolerant Bacteria from Soil Samples of Akola district of Maharashtra, India	587-595
A Review on Partial Replacement of Cement by Using Corn Husk Ash	596-600
Cultivation & Isolation of T. brevifolia	601-605
Review on Mix Parameters on the Fresh and Hardened Properties of Alkali Activated Concrete	606-611
A Continuous Real-Time Action Detection Approach to Sign Language	612-616
The Impact of the Weight of the Zinc Coating on the Mechanical Properties of Hot Dip-Galvanized of Low Carbon Steels by using the Batch Hot-Dip Galvanizing Process	617-620
