**Gambo, A.T**

Published following article

Long-Term Land-Use Transitions and Soil Erosion Response in a  
Tropical Semi-Arid Catchment: Insights from RUSLE–GIS  
Modelling

Volume 13, Issue 11, pp: 113-123

[www.ijres.org](http://www.ijres.org)

**A Peer Reviewed referred Journal**

**Impact Factor : 7.52**

**International Journal of Research in Engineering and  
Science (IJRES)**

**ISSN: 2320-9364** IJRES is Peer Reviewed Refereed.

**Editor-In-Chief**
