

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 1

p-ISSN : 2320-9356

Contents :

Human Resources Management and Information Technology: An Overview of Developing Countries	01-06
A Smart City Development Concept : The Songdo Experiences	07-10
Experiences of Green Infrastructure in Urban Planning	11-13
Consecutive natural numbers whose sum of squares of digits is prime	14-16
Factors Influencing on Women Leadership: An Evidence of Barishal District in Bangladesh	17-24
Perception of Delivery Executives in Online Food Delivery System with reference to Zomato, Chennai	25-28
Energy-aware Reinforcement Learning Based Dynamic VM Placement Approach for Cloud Data Centers	29-39
Canal System Response Analysis of Interactively Coupled Canal Pools	40-45
Control of heating process with feedback at lumped points	46-51
Design of 3D textile preforms as composite materials for advanced aircraft structures	52-60
On Problems of Control Spatially Distributed Dynamic Systems	61-68
The Career Adaptability in the COVID-19 Pandemic Scenario	69-75
Reduction of Olefinic bond of Chalcones and related enones by BER-Ni2B System in Solid Phase	76-81
