

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 5 ~ Ser.-4

p-ISSN : 2320-9356

Contents :

A Comparative Study on Effects of SBR & PP Polymer Blends with Conventional Performance of Asphalt Mixture	01-08
A Review of Some Significant Developments in Textile Wound Dressings for Treatment of Diabetic Foot Ulcers	09-13
Electronic Voting Machine Using Arm9 Micro-Controller	14-18
Speed Control of Single Phase Induction Motor Using Thyristor Based Cycloconverter with Microcontroller	19-23
Large Sorting	24-25
Evaluation of Wind and Solar For Micro Generation in Urban Coimbatore	26-31
Virtual Telepresence Robot	32-38
Effects of Covid19 Pandemic on Environment	39-43
Use of Wrap-Around Material in ODL:An IGNOU Case Study	44-50
Attendance Management System using Face Recognition And Body Temperature Sensing	51-54
A new numerical control system for grinding complex profiles	55-62
Earth Orbit Prophylaxis	63-66
Role of Recent Technologies and Its Importance in Pharmaceutical Education Due To Outbreak of Covid-19	67-72
