

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 5 ~ Ser.-6

p-ISSN : 2320-9356

Contents :

Impact Assessment of Uttar Pradesh Water Sector Restructuring Project (UPWSRP) Phase -II in the project Area	01-16
A Survey On Patch Antenna Arrays With Improved Bandwidth, Coverage And Gain For 5g Wireless Applications	17-18
Solanum torvum Sw. Prodr.:A New Recorded for Valsad District, Gujarat	19-20
Power Factor Correction Using Sepic Dc-Dc Converter in Industrial Motor Drives	21-28
Keystroke with Data Leakage Detection for Secure Email Authentication	29-40
A Review on the Frp Strengthening in Different Structural Elements	41-44
A Review: Wall Panels For Low Cost Houses	45-49
Synthesis and characterization of N-5{Acridin-9yl)-2-chloro phenyl}alkyl]aryl amides/imides and their studies on their Antimalarial activity	50-54
Semi-Analytic Solution of Riccati Equation Using Homotopy Perturbation Method (HPM) and Adomian Decomposition Method (ADM)	55-57
Design of Arduino Based Smart Automobile Wiper	58-61
Android application of Garbage collector Tracker using Google Maps for Municipality office	62-65
A Study on Working Capital Management	66-71
Modified Round Robin Algorithm based on Priority and Shortness components	72-76
