

# International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 6 ~ Ser.-7

p-ISSN : 2320-9356

## Contents :

Traffic Police Management and Detection of Stolen Vehicle using QR code	01-04
A Review on Internet of Things for Health Care	05-11
An Overall Understanding of Dialectical Behavior Therapy to Control the Symptoms of Borderline Personality Disorder – A Research Review	12-20
Secured Substitution Box of Advance Encryption Standards (AES) With Permutation	21-24
Design and Development of Solar Operated E-Bicycle	25-27
Design and Fabrication of Automatic Board Erasing Mechanism	28-31
Design and Fabrication of Manually Operated Multi-nozzle Spray Pump	32-39
A Novel Topology for Harmonics Reduction in Photovoltaic Inverter	40-44
Comparative Study OF RCC Frame Structure with and Without Outrigger System	45-47
Android Book Store	48-52
Temporal Change of Urban Heat Island Scenario in Sreerampur sub-division in West Bengal: a Geospatial Approach	53-60
Design and Fabrication of Pedal Operated Pottery Wheel	61-64
Design and Development of Hybrid Ac for Four Wheeler	65-69
Response Spectrum Analysis of Precast Wall Panelled Building Considering Diaphragm Flexibility	70-85
