

International Journal of Research in Engineering and Science (IJRES)

e-ISSN : 2320-9364

Volume : 9 ~ Issue : 7 ~ Ser.-13

p-ISSN : 2320-9356

Contents :

Oil Separator Skimmer	01-06
Android Based E-Learning Application design Features for academic and non-academic students	07-09
Fault identification: Three phase fault detection using IOT	10-12
Development of Stochastic Part Of Speech Tagger for Morphologically Rich Languages	13-18
Analysis of Computational Flow Network In Ngfpg	19-23
Online Driver Booking Service	24-27
Evaluation of solar powered charging station and electric vehicle technologies	28-37
Comparative Analysis of Lossless Text Compression Methods with Novel Tamil Compression Technique	38-44
Utilization of Hydrogen Created From Waste Products	45-48
Evolutionary computing technique for multi-level inventory Lot Sizing problem	49-56
Watch Your Driving: A Driver Health Monitoring System Using Raspberry Pi	57-64
Detection of Covid-19 based Pneumonia from Patient's X-Ray & CT Scans using Image Recognition	65-68
